

AI Academy

From Explorer to Orchestrator in four lunch hours

**Last month, someone spent 45 minutes
on a one-page summary using ChatGPT.
The right approach took 2 minutes.**

**What if your whole
team
knew the trick?**

1 billion+

use AI tools monthly. Less than 2% use them well.

19%
longer

when you rely on AI without understanding
it

**The gap between using
AI
and using AI well
is massive.**

**Most of us are here. The AI Academy takes
you here.**

Four sessions.
One lunch hour each.

Bring your laptop.

1

Explorer → Whisperer

Learn to talk to AI properly

2

Whisperer → Strategist

Make AI remember what you need

3

Strategist → Operator

Let AI work for you

4

Operator → Orchestrator

Coordinate AI teams

First session: [date]

Bring your laptop and a task you do every week.
