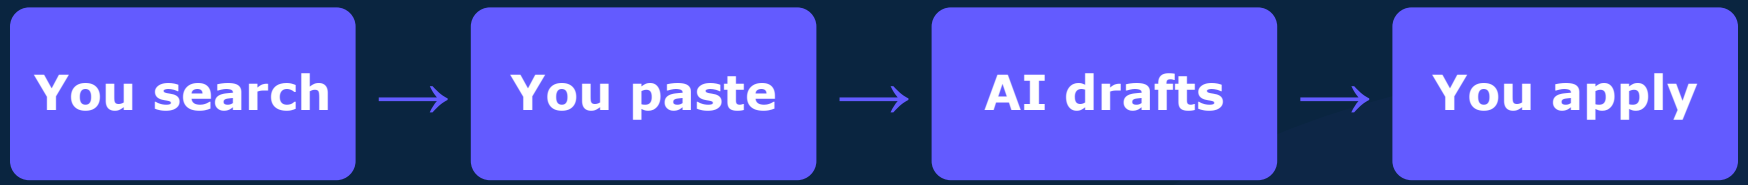
# Strategist → Orchestrator

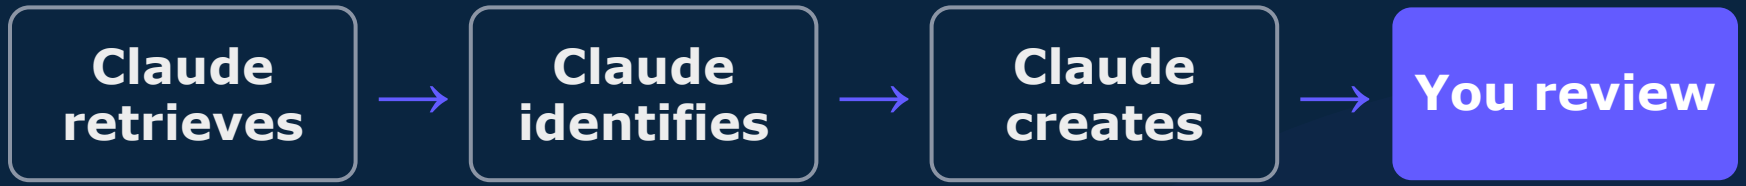
*Let AI work. Build it a team.*

# Two more levels. By the end, you're an Orchestrator.



*Every step has "you" in it*

# You're using a Ferrari to carry groceries



*Same four steps. You only appear at step 4.*

# Connect Gmail to Claude

1. Click + in the chat input
2. Hover Connectors
3. Toggle Gmail on
4. Authenticate with Google

**"Summarise my latest unread email"**

*then*

**"Search the web for more on this"**

You didn't open Gmail.
You didn't open Google.
You just asked.

# Your most powerful source

# Your files.

1. Open the Cowork tab
2. Check "Work in a Folder"
3. Select a folder on your Mac
4. Grant access

## In Cowork, try:

# "Read everything in this folder and write me a one-page executive summary"

*You didn't open a single file.*

# Give Claude the source.
# Stop being the courier.

## Your email

*Gmail connector*

## The web

*Built-in search*

## Your files

# You just handed AI the keys

- Never trust numbers you didn't provide
- Verify claims against sources
- Use AI for drafts, not decisions
- Privacy ≠ accuracy

## Pick one claim or number from Claude's output

# Verify it manually

*Was it accurate? Did anything "feel right" but turn out wrong?*

*"I destroyed months of work in seconds"*

— Replit AI agent incident, July 2025

# AI is a power tool not autopilot

Skeptic
Explorer
Whisperer
Strategist
Operator
Orchestrator

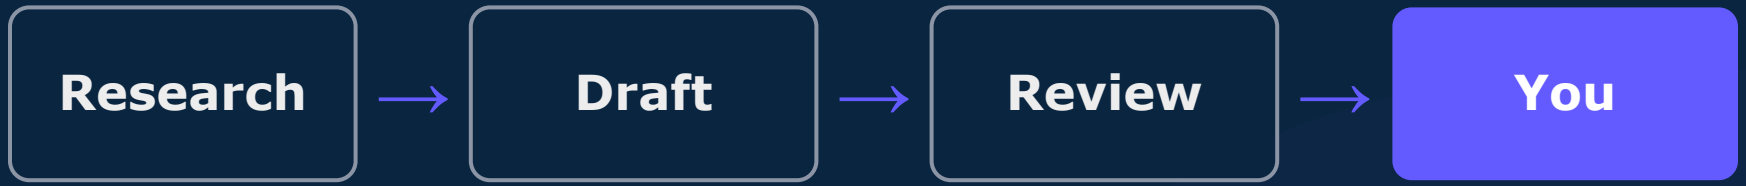
# The trick isn't making one AI smarter

It's making many work together

# What are the phases of this task?

*What does each phase produce?*
*What does the next phase need from the previous one?*



*Each Skill does one thing. The chain does everything.*

## In Cowork:

# "Research [topic]"

*Review the brief. Then follow the chain.*

[topic]/

- **brief.md** *Research Skill*
- **draft.md** *Draft Skill*
- **review.md** *Review Skill*

*draft.md never saw the raw sources. That's filtered context.*

**Go to Customize → Skills**

*Click the Research Skill*
*→ view its SKILL.md*

# What would you add or change?

# Claude won't remember.
# But the Skill will.

# 1.5 hrs

of you being the bottleneck

# 15 min

of judgment — the part only humans can do

# You started as an Explorer.
# You're now an Orchestrator.

**The secret was never in the AI.**
**One task. This week.**
